WARBURG COLLEGE

They're New on Wartburg Faculty

The Wartburg faculty roster has been completed with the arrival of the above five new faculty members on the campus with the opening of the new school year. Upper left is Dave Brunton, head of the speech department; above him is Arthur O. Stone, sociology and psychology head. In the second tier, left is Elizabeth Gjervik, head of the English department; and at the right is William Ross, head of the student body and athletic director. Lower right is Mary Kay Boone, economics department head.

Lower right is Mary Kay Boone, economics department head.

PARISH WORKERS CONFER HERE

Second annual Parish Workers Conference was held at Wartburg College and St. Paul's Lutheran Church on Tuesday, Wednesday, and Thursday, September 11-13. Approximately twenty out-of-town parish workers attended the conference.

The entire conference consisting of parish workers in the American Lutheran church, attended college convocation services on these three days as well as joint chapel on Tuesday evening. Dr. J. E. Neumann, conference service Tuesday, Dr. E. H. Meuser, director of American Missions, spoke on Wednesday, and Rev. E. B. Krebs of the Stewardship department officiated on Thursday. A demonstration on visual aids in religious education at the Parish House on Tuesday night.

Hons and Bible study, Rev. O. F. Fenney, 10:00 to 10:50 Evangelism, Rev. E. B. Krebs, 11:00 to 11:50 Discussion of questionnaire, "What is Expected of a Parish Worker?", 11:50 to 1:00 Lunch Hour, 1:00 to 1:30 Continuation of discussion of questionnaire, 1:30 to 2:00 Recreation for girls, 2:00 to 2:30 Super Hour, 2:30 to 3:00 Open Forum for Parish Workers and students attended by Martha Walck. Discussion of the advisability of organizing.

Shalkhauser Names Helpers
Carl G. Shalkhauser, director of public relations office, named the following as his assistants: Margaret Frischel and Anna Kristiansen will be his assistants this year.

SEMINARY AND COLLEGE PROFS HOLD MEETING

Combined faculties of Wartburg College and Wartburg Seminary met recently to discuss problems related to the welfare of pre-theological students. Present were all the faculty members of the Seminary and those instructors of the College staff who are directly concerned with the pre-theological department at Wartburg College.

The resolution was passed to hold one such (joint) meeting each semester of the regular school year, as well as a meeting during the summer.

Professors from the Seminary at Dubuque at the meeting here on August 10 were Dr. Julius Bodensiek, president, the Rev. Samuel Schumann, Dr. Z. M. Hargrave, Dr. C. C. Matthes, Dr. Albert Jagnow and the Rev. August Engelbrecht.

FAR AND WIDE

Your "young reporter" spent several days last week taking a poll of the Wartburg student body—old and new. After tracking down the majority of the men and women (the latter is what made the task interesting) the files in the Public Relations office furnished the remaining bits of information needed.

Official registration stands at 203. Students from fifteen states of the Union are on our roll this year. The old home state Iowa, of course, leads with the most students represented. The Hawkeye state has a total of one hundred nine students who will fight for their state's rights. Next in line come our proud representatives from the Badger state of Wisconsin with a total of twenty.

Nebraska has two withdrawals on this number—two. Our Minnesota friends to the north come with a close second—thirteen. South Dakota brought their grand total to thirteen this year. Nebraska was right in their guessing for honors too with a strong seven. Illinois was well represented with eight loyal ambassadors of good will. North Dakota placed eighth behind Illinois in the race with their seven members of the student body. Colorado made her bid for recognition with a total of five students. The Sunflower state of Kansas sends its three representatives this year. California, New York, Washington, and Texas glory of their respective states, have two students to uphold the name. Montana and a newly recognized state, Montana, each have one lone ambassador.

BOARD CONFERS ON LOCATION PROBLEM

Board of Christian Higher Education met in Columbus, Ohio this past week on September 11-15 to discuss the report on Wartburg College submitted by Dr. M. G. Neale of the North Central Association. It is on the basis of this official report the location of the Greater Wartburg will be considered. Dr. O. Hart-Rog of Waverly attended this meeting.

This Board will confer with the Board of Trustees to decide the location problem.

Questionnaires have been sent out to every pastor of the ABCA asking their opinions on relocation. Further information will be provided as soon as possible in this publication.

CAMPUS MUSIC TO COME FROM STATION KXEL

Arrangements have been completed to broadcast a series of programs from the Wartburg College during the 1945-1946 school year. The programs will be heard from station KXEL, Waverly, on a 3000-watt station which can be heard all over the state of the nation.

The programs will feature the music department, especially the Wartburg College Choir. Dr. Edwin Lienhard, head of the department, will direct the choir.

OPENING PEP RALLY PRESENTS ORGANIZATIONS

The Wartburg College Student Body held its first pep rally in Convention Hall on September 5. Frances Langholz, Student Body President, welcomed the freshmen in behalf of the upperclassmen and from the Wartburg Student Body to introduce the various organizations on the campus to the new students.

On Friday evening the student body responded splendidly to an all-college mixer. At 8:00 a group gathered in the hall of Wartburg Hall where they registered as a freshman or upperclassman. Names and room numbers were introduced to the group by the faculty.

Bank the Kettle.
Among the improvements made on Wartburg campus during the summer is the remodeling of the dining commons in North Hall. The west wall partition was removed, giving more light and seating room. Students now have a better view of the North-West corner. South New drapes have been provided, increased size of the dining body made an improvement imperative. An anonymous friend of Wartburg donated several very funds.

CHELLEVOLE PROMOTED

Word has been received here of the promotion of Lt. John Chellevole to the position of Lieutenant Commander in the U. S. Navy. John Chellevole was an instructor in mathematics in the Graduate School from 1935-1942, when he was also Director of Student Employment. He is now stationed at the Naval University, New York, where he is serving as instructor in the Naval Midshipman School, Lt. Com. and Mrs. Chellevole and son Richard, but live in New York City.

Freshmen Outnumber Returning Upperclassmen

ANNE AARDAL WRITES FROM BERLIN POST

Anne Aardal writes from Berlin where she is stationed with the United States group of Civil Government in Germany. She is one member of this nine-person office. She hasn't received any mail as yet and would appreciate anyone writing to her.

She writes that almost every bomb in Berlin has been dropped in one way or another—windows are mostly out. Mr. A. are watching her and the nine in her room, constantly.

Students have taken every bit of furniture out of all the houses. She says they really love Mickey Mouse wrist watches. They will pay \$800-\$900 for them; if they have a second hand, they are priceless.

Nazis have taken every bit of furniture out of all the houses. She says they really love Mickey Mouse wrist watches. They will pay \$800-\$900 for them; if they have a second hand, they are priceless.

German people are hungry all day—especially the children. It is pitiful how they try so hard to buy or exchange something for a bit of food.

Gas has to be turned off again because too many people were using the gas.

She likes her assignment and lives in the wealthiest section of Berlin where the least damage has been done.

Anne graduated from Wartburg. Her address is: U. S. Group C. C. (Germany) A. P. O. 742 Postmaster, New York, N. Y.

Two Alumni who visited on our campus this past week were Charles Wolf (45), who is teaching at Cogenon, Iowa, and Charles Maties (48) of Dubuque. He will report back for duty on September 22.

Lola Feltz (43), daughter of Dr. F. Edward Feltz, was sent away on August 13. Her home was in South Dakota.

FACULTY NOW COMPLETE

September 4-5 was official registration period for the seventy-eight school years in New Wartburg College. The goal of 230 students reached 202 when late-comers had registered.

About half of the enrollment consists of men. Of these, sixty-eight have registered for the Arts-Seminary course. The first-class students shows an increase in numbers over former years.

A number of girls are taking the Parish Workers' course for either a two-year or four-year period. Enrollment in the Education Department has also increased.

Students represent the "four corners" of America, with New York, California, Texas, and Montana included, as well as Washington, Colorado, Wyoming, and Dakota, Kansas, Illinois, Minnesota, Wisconsin, and Iowa.

More than half of the student body consists of freshmen. Wartburg College faculty positions are all filled this year with the appointment of six new members to the staff.

Prof. William Roselius is back at Wartburg after a two year's absence and is to be in charge of students and director of athletics.

Successor to Miss Elsie Smith as Wartburg College faculty position is Miss Mary Clay, who is a graduate of Wartburg. Miss Clay is a graduate of Wartburg State College and received her master's degree from the University of Iowa.

Prof. Alvin Fritz, former professor of history, is now employed in psychology and sociology.

Replacing Mrs. Alvin Fritz as director of the Wartburg College is from Grand Forks, North Dakota, replaces Prof. Alvin Fritz, former professor of history, is now employed in psychology and sociology.

This year the Wartburg College has started a new thing now in the way of a subscription campaign. Discontinue the old subscription advertising literature was deemed undesirable and unnecessary.

Instead, a subscription-selling campaign was started. Wartburg students with the business department offering five, three and one-dollar prizes to the students selling the most subscriptions.

The first issue of the Trumpet is being mailed to all friends of Wartburg. We need not consume valuable space in cataloging the merits of the Trumpet. You may see for yourself! Subscription rates are \$1.00 per year (in advance). You may obtain a subscription by sending your name and address to the Business Office of the Wartburg College, Iowa. May we please put your name on our "distribution list"?

General Remodeling Makes Great Improvements

Among the improvements made on Wartburg campus during the summer is the remodeling of the dining commons in North Hall. The west wall partition was removed, giving more light and seating room. Students now have a better view of the North-West corner. South New drapes have been provided, increased size of the dining body made an improvement imperative. An anonymous friend of Wartburg donated several very funds.

Other remodeling includes the new Recital Room in this building. The room was formerly used for the Old Organ and Choir. The new room, now is now acoustically correct and has a great view of the campus. The room is now acoustically correct and has a great view of the campus. The room is now acoustically correct and has a great view of the campus.

PUBLISHED BI-WEEKLY DURING THE COLLEGE YEAR
 Entered as second-class matter October 15, 1935, at the post office at Waverly, Iowa, under the act of March 3, 1879.
SUBSCRIPTION RATE — \$1.25 PER YEAR
 The opinions expressed in this publication are not necessarily those of the faculty or administration.

WELCOME FRESHMAN

This promises to be a great year here at Wartburg! The registration total has passed the 200 mark, and with that many of the finest young people in America on our campus, we ought to be able to accomplish wonders.
 Over half of this year's freshmen are coming from the great states of the college life. We upperclassmen have spent one, two, or three years here or at some other school and have a pretty fair idea of what college is like.
 It isn't the buildings that make a college. It isn't tremendous endowments. It is the character of the faculty. It is the students and the faculty that make any school a success or a failure.

Wartburg's faculty is one of the finest that can be found. It is not only a well-educated and competent faculty, but, what is more important, it is a Christian faculty. May the great advantages of our faculty have to offer both in the field of instruction and Christian fellowship.
 We are members of Wartburg's student body. In the past she has been proud of her student bodies. May we merit her pride again this year. We are not an extremely large student body — not large in number. We must, however, be large in that something that we will make our alma mater a great one — that something which has always made Wartburg great in the eyes of her students — "the Wartburg spirit."

It can be called by a number of names — esprit de corps, morale, school spirit, or others. The important fact is that Wartburg students have it! You can't pick it up at the registration desk; you can't check it out at the library; your instructors can't pass it on to you in their lectures. But it can be acquired. When you smile and fling a cheery "hi" across the campus to a fellow student when you climb into your cold, sweaty football boots, when you leave your favorite soap-box radio opera to go to class, when you cheerfully joke about the food in the dining hall when you have a "coke" date, when you polish an upperclassman's shoes when you sing the "Gladys song" — you are acquiring it. And, as you acquire this spirit, you learn to love Wartburg.

This will truly be the "college of our highest days." Let's make them brighter and more worthwhile by giving our all for Wartburg. It really is no more or no less than we make it.
 L.E.R.

WELCOME BACK UPPERCLASSMEN

We've all, whether we came from summer school, a job vacation, or the armed forces, returned for the 1945-46 school year. Perhaps I should not say all, for there are those who have graduated and those who have not returned; but we all have plans elsewhere. We look forward to their visit to our campus.

But to return to the upperclassman old and new—why don't we resolve to make this year a prominent one? Why not make this year one which will go down in history as one of high achievement? Now is our chance to pick up odds and ends we left behind in the past.

Our convocation attendance, organization boosting, wholehearted support of our athletic teams, and cooperation with the faculty are some ways we can show the Freshies what we're made of, namely—spirit and a will to help them. We're confident, then, that we can all make them have firm trust in us, the guiding classes of Wartburg. J.J.S.

Religious News and Views

By RUDOLF MARTENS

The battle has ended; the period of bloodshed has ceased and once more man resumes his march along the road of peace. The sound of whining shells and machine fire fades into the background and once more the laughing of children, the chirping of birds, and the hum of the spring, all eyes are turned towards the world of tomorrow and brighter indignation runs free. Once more men of good will assert that there shall be no more war and once again the heart of a saddened world utters an new hope as the ruins of peace time industry and reconstruction swing back into motion and the world of tomorrow is the peace of the past which is to be forgotten. Yet for a large part of this world, the war has not ended. In many lands, occupation armies stand hostily, ready to crack the whip at the moment's notice. It is wisely pointed out by many leaders in church and state that only brotherly love can help peace in this world.

It is to be hoped that this love, regardless whether it is just or not, based on expediency and hate, will lead to a more permanent peace. Again, civilized man is asked to express his love in the command of God when he asserts that force shall not prevail in any case or circumstance. If we desire an enduring peace, then we must abstain from the use of force and we must conquer our enemies with love for only the latter is powerful and lasting. We have the heart and nature of a saint, man, be he black, yellow, or white. Let us have the heart and nature of a saint, man, be he black, yellow, or white. Let us have the heart and nature of a saint, man, be he black, yellow, or white. Let us have the heart and nature of a saint, man, be he black, yellow, or white.

News Concerning Other Lutherans

When the "Merry and" Gripsholm landed in Jersey City recently, they were met by a large group, mostly from China and India, were among the first to greet them.

Among the Protestant missionaries are the largest denominational group was Lutheran, numbering 80. The next largest group was the Northern Baptist Convention, numbering 57—Lutheran Standard.

Valparaiso University which is supported by the Missouri Lutheran Synod plans to have 20 Lutheran students and 10 from Europe brought to Valparaiso and educated at the university's expense.

It is planned to have the religious studies return to a native area for leadership in the spiritual and civic reclamation of their people.

At the meeting of the American Lutheran church a resolution was passed expressing opposition to any form of universal compulsory peacetime military training.

QUIPS & QUIRKS

from the editor's desk

It was certainly inspiring to hear Pres. Becker announce at the mixer that the enrollment was reaching the 200 mark and give more inspiring to hear him set a 100 student goal for 1946-47. May our prayers and efforts be aimed at the realization of this goal!

With a force of budding journalists like the Trumpet staff should be able to work wonders. Hats off to all the old and new students who are helping it with better than the former. This year we must have a better paper than the past. It will be a force of really worthwhile material. In the back of our minds we have set as a goal for the 1946-47 school year, a six-page Trumpet.

The Trumpet subscription campaign is certainly showing evidence of success. Indications are that the circulation of the Trumpet will reach an all-time high this year!

Q's & Q's
 Our music department is headed for one of its biggest years, apparently. The choir's high under the inspiring band of Dr. Lie-

HARVEST BLESSING

Recently this writer has had the privilege of traveling across a great part of this nation by rail. In traveling across the last 400 miles which separates this writer from his home, nothing was more inspiring than the goodness of God in beautifully blessing the harvest fields of our nation. Despite many early setbacks and disappointments, the farmers worked harder than ever, planting again where earlier work was destroyed, ever trusting in the providence of Almighty God. Prediction after prediction painted a pessimistic portrait of harvest conditions but again God demonstrated His power. Praise be to God who gives us the victory through our Lord, Jesus Christ.

ATHISM ON MARCH

Atheism is on the march. That is the phrase which I had heard in my youth not too long ago. Let us admit that that is true for we must recognize our dilemma before we can do anything about it. It is true that on all sides, the forces of godlessness seem to be gaining yet it is just the counter-offensive as it is by our great commander, Jesus himself. For the Christian who makes his faith known, this life is one of conflict and stress. At times he may be sorely pressed by Satanic agents but will reinforce the weakened faith and will turn what might seem to be a defeat into a victory.

Students at Wartburg, let us take this opportunity to reiterate our fundamental beliefs, review our catechism, study our Bible daily, recalculate ourselves to the service of the Master. Amen.

rough preparation for a season that includes a three-day spring court and the band is looking ahead to its greatest year. Across the horizon we can visualize a colorfully-uniformed Wartburg band marching at the head of the homecoming parade.

Q's & Q's
 Personally, it did something to us when Miss Glick's response to the question of her introduction and asked the students of Wartburg for their prayers for her work. "Not said."

CONVOCATIONS ONTINED

With the goal of better convocation programs in the future, Dr. John Hunter, faculty adviser of the Religious Activities Committee, announces that an attempt will be made to bring such men as Dr. E. Stumey Jones, Dr. Julian Fiedler, Dr. C. C. Campbell, and Chaplain Harold Benhoff, Rev. Raymond Vandy and others.

Efforts are now being made to secure Dr. E. Stumey Jones, noted author, missionary, and "Christian Scientist" during the last week of October. Dr. Jones will conduct evangelistic services in Wartburg from October 22 to November 2.

The Religious Activities Council also hopes to get Dr. Gerhard Bendish of Washington, D. C., writer of "Washington Comments" in the Lutheran Standard, for the all-day convocation service being planned for Wartburg.

On November 12, Dr. Julius Bodensiek will address the student convocation. Chaplain Harold Benhoff (22) will speak on "The Church in the World" at the convocation on Monday, September 24. Captain Benhoff has visited extensively in Europe, and has been in contact with some of the leaders of the German government. Captain Benhoff has been awarded the Bronze Star for "cross service in France."

On September 22, Lt. Helen O'Leary, who served in France, will describe her experiences.

A list of outstanding films will be shown beginning with "Garden of Eden" on September 15, a film about delinquency resulting from war. Other films will include "Private

Grith of the U. S. A." on October 5, "Army Chaplain" on October 12, "How War Affects the Soldier" on October 19, "The Boy Who" on November 5, and "That Boy Goes" on November 12.

In December, "Hometown U. S. and the 'Child of Bethlehem'" will be featured.

On Wednesday, September 12, the Rev. Edwin Kerk, Director of Negro Missions in the American Lutheran Church, explained colored missions to the assembly. 20 parish workers, special guests, faculty and students.

Director Kerk pointed out that, with missions throughout Alabama and one Negro congregation in Jackson, Mississippi, the American Lutheran Church can still do much mission work, although the number has passed as many 20. He recommended a number of books for leisure time reading on the problem of the Negro.

Dr. E. H. Meuser addressed the same assembly on Thursday, September 13. He announced as his theme "Why Are the Spirit 'Gone' Are the Life?" to stated:

"We stand at a new era. We cannot be proud of the fruits of our past civilization—One of the great things in power on this earth is the Christian congregation—which means more than the development of our domestic life."

Dear Mom,

Here I am after two weeks of school sitting at my desk and writing you my first alert letter. I hope I can get it done before some dizzy upperclassman makes me shine his shoes or something.

I like college swell, mom, but I don't quite understand some of the things they do around here.

The other nite Gert & I was (or is it were) comin' 'cross the campus carryin' a whole arm load of books and some little punk across the lawn hollers, 'Buttin Freshies'!

Now what were we to think. A guy hollers, 'Buttin Freshies'—ain't we seen plenty a button before. So I bellers 'So what'!

That must hit him in his sore spot 'cause he comes stampin' up to me and says, 'Insubordination, eh? What's your name Freshie?'

Hearin' his tone of voice I be-

WARTBURG STUDENTS'
HEADQUARTERS

For More Than 30 Years

Hot Coals From
--The Ash Can--

During one of his classes, Dr. Liemohn was called to the telephone the following conversation was heard:

"Yes."

"No, I'm sorry. You must have the wrong number." Then, turning to the class he said, "They wanted to know if this was the Tall Corn Tavern!"

Four freshmen seem to think they can break more regulations than the upperclassmen can hand out. I didn't take the freshmen girls long to get to the dorm after the mixer. What did you find, gals?

Candidate Mundi seems to be biting off more than he can chew in the line of watermelon and women. We hear he has a date for homecoming banquet already with one of these beautiful Wisconsin women that we have always heard so much about.

Room 20 is certainly popular. The other day no less than three classes were scheduled to meet there the same hour!

It seemed like old times hearing "The Wahban Canonball" in the dining hall the other day.

Jerry H. surely believes in receiving the loyalty song, doesn't he, upperclassman?

The upperclass girls rave about the cute freshman boys and the upperclass boys about the cute freshman girls. We hope everyone is happy!

We hear that three of the girls went for a little ride in the country and were chased by a dog. Try to explain that, one!

From the looks of things Friday night will again be the night when the Knights like to go out.

It seems that Fritz Heupel uses his watch for the all-important purpose of timing that ten minutes before "buff" comes. Miss Brunton, beware!

The Friday convention is in charge of the Pre-Theological students. Ed Frischel, president of the Chi-Rho, conducted the devotional service on Friday, September 7. On the basis of Acts 2:46-47 he told the group how to live. He gave examples of the Christian religion by attending chapel services and occupations regularly and by daily devotions with God.

Since the Parish Workers' Convention was held in Waverly, the student body and faculty were privileged to hear Miss Walck, Rev. Krebs and Dr. Meuser.

Miss Walck spoke at the joint chapel period last Tuesday night, September 11. She clearly explained how we as Christians should put God first, others second, and self third. In this connection she quoted James 4:17.

Rev. Krebs addressed the convocation audience on Wednesday, September 12. He spoke on the topic "Bringing Christ to the American Negro."

Using John 8:12 as his text, Dr. Meuser showed us the urgent need for church workers. He quoted Gen. MacArthur's words on V-J day, "It must be of the spirit to save the flesh."

That we must be reborn by the divine spirit before we can see the Kingdom of Heaven was the central theme of Ken Kohl's Friday chapel devotion. He clearly explained that we of ourselves are incapable of aiding in this rebirth and regeneration worked by God's Holy Spirit.

The combined Grossman Hall and North Hall Chapel services for this week (Sept. 9-15) were in charge of Mr. Victor Schmidt. He based his sermons upon several parables including the story of the Good Samaritan. In the former he pointed out the necessity of our making use of the talents bestowed upon us, especially in school. The latter text was used to show us that we should love and serve our neighbors in the dormitory, around the campus, in fact, in every place in which such an opportunity is available.

COLLEGE CHOIR
HEADED FOR
BIG YEAR

With rehearsals underway, the Wartburg College Choir is planning its 1945-46 concert season, during which it will tour Iowa, Minnesota, and Wisconsin.

Altogether 110 students tried out for choir. This represents the largest number of candidates for choir in the eight years in which Dr. Edwin Liemohn has directed the choir. Dr. Liemohn returns after a year's leave of absence, during which he earned the degree, Doctor of Sacred Music, at Union Theological Seminary.

Program will consist of twelve numbers. The choir has also begun practicing three of these. They are "Salvation in Christ," Tschernickoff; "How Blest Are They," Tschernickoff; and "Beautiful Savior," Christians.

Preliminary selection of the choir includes fifty voices. Final membership will be determined

during the next week of rehearsals.

At the request of the Waterloo branch of the American Guild of Organists, Dr. Liemohn will conduct a mass choir which is to appear in a Christmas concert in Waterloo. The Wartburg Choir will also participate, singing a group of numbers from its regular concert program.

Officers of the choir for this

year are President William Roleber; Vice President, Lloyd Doherty; Secretary, Lois Landdeck.

Grid Artists in the Knights' Stronghold

A group of Knight grid stalwarts are shown above with "Doc" Hettel, head football mentor at one of the daily drills on North Field. "Doc" is demonstrating a punting stance. From left

to right, the griders are Larry Reyels, Norm Langholz, "Doc" Don Fallon, Wilmar Kurts, Clemens Dolmeyer, Alvin Pinke, Russell Schilling, Stan Wines, Paul Green, Dick Fenske, Le Roy Volzitz, and Bob Wagner.

Knight Football Squad Prepares for Opener

THIRTY-ONE MEN OUT FOR DRILLS

Thirty-one men have checked out suits for the 1945 football season. Among them are five lettermen from the 1944 season. Two G.I.s who were lettermen in the season of 1942, and the remaining 24 are sophomores of the 1944 squad and freshmen. The five lettermen from 1944 are Larry Reyels, Russell Schilling, Norman Langholz, Richard Fenske and Alvin Pinke. The two G.I.s are Robert Wagner and Bill Hughes. Among the other outstanding candidates are "Red" Volzitz, Wilmar Kurts and Harold Schmidt, who are sophomores, and Clemens Dolmeyer, Stan Wines, Paul Green, Don Fallon, Bob Hibbler, Richard Kampfer, Jack Meier, Wade Kruse and Elmer Gieseler of the freshmen. Many of the freshmen have had no experience but are showing up well in the first few practice sessions.

It is very difficult to predict the strength of the squad since the strength of our opponents is an unknown factor. From all indications, however, the Knights should be equally as stout as the 1944 squad, or much better. The spirit of the 1945 squad is certainly commendable. Everyone is working his heart out to make the team a success. With the spirit and ability which has been shown thus far, it seems that several wins during the 1945 season.

—Dr. E. W. Hettel.

Borden's Ice Cream

Sideline Spotlights

by Monk

King Football rules again at Wartburg. Yes, we're at the beginning of another grid season here at Wartburg. The Knights have been hard at work for the past two weeks, in spite of the heat and the conflicts of other student activities.

To your writer the prospects look pretty fair. We have five lettermen back from last year's fine team. They include Reyels, Langholz, Schilling, Fenske, Pinke. Along with these veterans of the gridiron we find old "Hush-hush" Wagner who some of you readers will remember from back in 1942. He's been discharged from service now and seems very anxious to get in a little bodily contact. Bill Hughes, another war veteran and also a former Knight gridder, will be back in uniform this season. Bill never looked better, and he should be a big sparkplug in the attack.

Looking over the new prospects we take note of the outstanding running, passing, and kicking of Don Fallon, a back, hailing from St. Paul. Other outstanding backfield men include Paul Green, Stan Wines, and Clemens Dolmeyer. In all, there are 31 boys out for the squad and there's a pretty good representation of all these few slack years. At least, "Doc" and "Roid" seem well satisfied with the prospects.

For, there are six grid centers corded, and it looks like the old rivalry will be at a high pitch again. There's not too much hope available yet about our opponents, but Upper Iowa has several veterans, including Goyl Farnum. "Doc" Dorman has again taken over the coaching position at that school, and he never fails to put a tough contest there. As for the other teams we'll have to wait till later in the season to see their progress.

This season's opener will take place on Friday, Sept. 28, at the City Field here in Waverly, with Upper Iowa affording the opposition. Please note the fact that this is an afternoon contest. Let's see all you fans there!

One thing is sure, and that is that we, as students, must get behind the team and show an enthusiastic spirit, whether win or lose. Right from the beginning of the season. Wartburg has always been known for its fine sportsmanship in past years, so what say we keep it that way this year and in years to come!

If you outside fans are making plans for any trips this year, you'd better make sure to include a journey to Waverly this 20th of October for the Homecoming Game. The Norsemen from Luther will invade the Knights' stamping grounds.

All in all, it looks like a grand year, so what say we hop on the bandwagon right here and now. In closing this, the first of my columns as Sports Editor, I would like to greet all our readers, and also, I would welcome any suggestions you may have to offer for the betterment of our sports page.

Big Athletic Program

The Knights at Wartburg will have an athletic program for the current year. The intercollegiate sports will consist of football, basketball, baseball and track. Golf and tennis will also be promoted if the material for the same warrants intercollegiate competition.

The football squad numbers thirty at the present with the hopes of a few more candidates added to this list. "Doc" Hettel is busy with the Knights' first game here with Upper Iowa on the afternoon of Sept. 28. He's ability to field a good football team will average material is undisputed.

and with some assistance from Coach Roselini, a worthy Knight team is in the making. Competition in the Iowa conference is always tough and the Knights will be expected to equal their records last year. Six games are on the calendar for the Wartburgers with the home-coming game on Oct. 20 when the Knights will handle war Luther of Decorah.

When football has been completed Coach Roselini will give the call for basketball. What the prospects for basketball are still an unknown quantity. Some promi-

Knights Grid Schedule

Sept. 28—Upper Iowa, Here*
Oct. 5—Central, Here
Oct. 12—Dubuque, There
Oct. 19—Luther, Here
Oct. 26—Homecoming
Oct. 27—Upper Iowa, There
Nov. 3—Simpson, There
Friday afternoon game.

ing basketball players are enrolled and if the coach can organize these men to play to the best of their ability another team worthy of the name Knight should represent Wartburg on the basketball court. Only a part of the current basketball schedule has been made and the conference schedule should be completed on Sept. 22, when the Iowa Conference has its fall meeting.

Baseball and track will also be promoted and these seasons are too far off to even attempt to say much about prospects in these sports.

At present the Knights and its loyal supporters must think football until that sport has performed its function in the athletic program at Wartburg.

SUMMER SPORTS FIND A LARGE FOLLOWING HERE

The dull thud of a bat against a softball and the loud splash as a Wartburger landed not too smoothly in the water were the sounds that accompanied the two main organized summer sports at Wartburg.

Two intramural softball teams were organized and six games were played. Everything ended happily in that division as the final result was a game tie of 3. An all-star team selected from the group played five outside games. Bristow managed to topple them twice, but the all-stars emerged victorious in two games with Clarksville and one with Waverly Seminary.

Swimming was the other organized sport of the summer season. The college was able to obtain the use of the Municipal Pool for the first time this Wednesday evening for their exclusive use. Some of the water ball fights were just the thing needed to keep one's blood circulating some of these cold evenings. Many of the early season non-swimmers made so much progress in swimming that they ventured out into the deep water and were a constant headache to the life guards. Two of the fellows even got that Elvise mastered after a few rather dry attempts.

Last summer did not bring out the usually large number of tennis players, but a few enthusiastic ones were out and a tournament was held with Larry Reyels emerging as college champion. The city built two new cement courts at the fair grounds which received their share of use by Wartburg students, also.

If anyone ever wondered what that crowd was behind the boy's dorm all of the time—it was just another good horseshoe game. The abundant number of fingers proved the skill of the Grossman Hall boys.

These four sports helped to make a grand summer at Wartburg even better—not so guys and gals of the '45 summer season?
